Claire, the
stay on the
straight and narrow
at school except your
and don't do anything
I wouldn't do. Course field
that's leaving the field
wide open. See you at Huron.

Claire,

Don't forget intramurals & the American and Grig and the parties & the ___?___. I really did want to give your a boy to the boys dorm for Initiatory but you know E Bba and her scruples.

Have fun at Bronson and for heaven's sakes, don't forget to come home. See you out at camp before we go to N.M.C. We'll have a ball!

Ratsa Ruck

Kay

Claire –

Don't forget the practices we had for graduation! And the next time you go swimming, please bring a bathing suit!

Better start up for Huron Mountain, too. Remember, there are no restrictions on what time you have to be in. Of course, we'll all go to bed about eight o'clock each night!!

Best of luck, Claire

Ann

Claire –

Thanks for making me change my ways – even if my pupils did take a beating. I've never had such a rash as these last few months since I've been with you. I've been with you longer than I've been with any of the girls, and I'll never forget all the fun we've had – literature, hate to part, camping, record – and especially our trip to Mackinac Island. I'll always remember the "Bridge" and the "Mackinac Bridge" song. Here's hoping you still have a good time at Bay Port. Be good, and write us all the news!

Love,

Ann

HEMATITE

1960

FOREWORD

This is a book without an author, just as it is a story without an end. Over the years the students of Ishpeming High School have shared heartbreaks and disappointments, as well as satisfaction and rewards. They have emerged, like our nation, tempered by the fires of time. This is the day by day record written by the participants.

May the Hematite of 1960 be accepted with the same pleasure and enthusiasm that has gone into its making.

HAIL! BEACON LIGHT

Hail! beacon light of Ishpeming,
Hail, High School 'tis of thee we sing.
'Neath heav'ns high dome of azure blue,
Thou art thyself as firm and true,
Surrounded by the hills so old,
Whose iron hearts are strong and bold.

To thee our people turn with pride.
In thee their love and hopes abide,
Thy sons and daughters do thee bless,
Thy teachings mould a life's success.
Then let us haste and garlands rare,
Wreathe 'round our High School ever fair.

Superior's mighty deeps are blue,
And Northern skies are that fair hue,
Our color this—it tells of might
Of love of truth and love of right,
Long life and health and happy hours,
God grant thee, Alma Mater ours.

Dedication

We, the Class of Nineteen Hundred and Sixty, wish to express our deep appreciation to Mr. Oscar F. Strand for his continual assistance and sincere interest in us during the past four years. It is with pleasure that we dedicate this annual to him.

The Senior Class wishes him the greatest happiness and prosperity in years to come.

CLASS SONG

Tune — "He"

Graduation time for us is here at last,
Soon these halls and rooms will all be in the past.
Dressed in cap and gown we say goodbye to friends—
Knowing that tomorrow will not be the end.
But before we leave tonight we'd like to say
For the lessons taught and for the times so gay,
To our parents, friends and to our teachers true,
We give sincere thanks to you.

Now the time has come for us to say adieu,
Each heart full of mem'ries of the days we knew,
As we leave our school now we will look above,
We know that up there we will find faithful love,
For we know that God is with us all the way,
And we know that He will never let us stray.
So with this in mind we leave our class behind
to enter into His world.

VARSITY FOOTBALL

Ishpeming 6 — Iron Mountain 6

Ishpeming and Iron Mountain sloshed to a 6-6 tie on a field scattered with puddles. The outstanding run was Pete Zhulkie's forty yard end sweep.

Ishpeming 6 — Escanaba 6

For the second straight week the Hematites entered the game as the underdog and came up with a tie. With Dave Bennetts stepping into the quarterback spot in place of the injured Fran Scalcucci, we proved difficult foes for Escanaba. Raoul Robar's 24 yard touchdown run was Ishpeming's lone score.

Ishpeming 32 — Newberry 13

With Pete Zhulkie scoring 25 points and Raoul Robar adding the other TD and impressive yardage, Ishpeming High School defeated a young Newberry team, 32-13, at Newberry, for the first win of the season.

Ishpeming 20 — Munising 0

A hard-charging line spearheaded by Dennis Alanko and Dominic Sarvello stopped highly rated Munising backfield. It was a great team effort as each starting back scored once for the Hematites.

Ishpeming 26 — Negaunee 0

The Hematites again outcharged the opposition to chalk up a 26-0 homecoming victory over their Twin City rivals. Jim Richards and Les Larmour spearheaded a great defensive effort. Robar scored twice, and Zhulkie and Bennetts each scored once as the Hematites' balanced attack moved to their third straight win in as many weeks.

Ishpeming 0 — Marquette 39

With Marquette scoring first, Ishpeming never recovered from some first half fumbles to finish on the short end of a 39-0 score.

Ishpeming 6 — Soo 13

Ishpeming, after a disaster the week before, tried to get back on the victory trail, but were halted by a determined Blue Devil team. Dan

Christian was the Hematite standout for the evening as he scored our only touchdown and was the leading ground gainer.

Ishpeming 0 — Stambaugh 0

In a mixture of rain and snow the Hematites failed to capitalize on a third quarter scoring opportunity to end the season with its third tie.

The Hematites finished the season with a 3-2-3 record. This was the most ties for a team in a season in over twenty years. The team tied for third place in the Great Lakes Conference.

Captain Dominic Sarvello was selected for the Great Lakes Conference team, with Jim Richards and Peter Misale receiving honorable mention.

Graduating seniors are Jim Hebbard, Jim Richards, John St. Andre, Jim Savolainen, Dominic Sarvello, Russell Gleason, Peter Misale, Dennis Hickey, William Franson, Joseph Gelmi, Paul Mattson, Curtis Hosking, and John Johnson.

VARSITY BASKETBALL

Ishpeming 49 — Manistique 50

With the exception of veteran center, Peter Misale, a brand new starting five took the floor at Manistique. The squad kept pace with the Emeralds until the closing seconds to bow out with a one point defeat.

Ishpeming 41 — Stambaugh 33

Getting off to a shaky start, the team gained confidence in themselves to end up on top. It was a well-earned victory with the team showing promise for the games ahead.

Ishpeming 36 — Munising 28

Our game with Munising was a low-scoring affair with the lead changing hands several times. The Hematites came on with a final rally to defeat the Mustangs for our second straight win.

Ishpeming 48 — Iron Mountain 52

The Blue and White got off to a quick seven point lead in the opening minutes and held it for two quarters. The tall Iron Mountain team, on their home floor, finally managed to overcome the Blue and White to end up with a four point win.

Ishpeming 37 — Escanaba 38

Once again Ishpeming felt the sting of the lack of height. The squad exhibited good ball control and led right down to the last five seconds when a quick free throw and field goal left them with their second straight heartbreaking defeat.

Ishpeming 44 — Negaunee 32

The team got off to a good start again but this time stuck with it to come out on top with a decisive twelve point victory.

Ishpeming 43 — Marquette 61

The team fell victim to a crushing eighteen point defeat against Marquette. The trick that did it for the Redmen was a full court press during the second half.

Ishpeming 54 — Newberry 36

After a slow start, the Hematites finally recovered to pull away to a commanding lead to win on their home floor.

Ishpeming 50 — Escanaba 70

The tall Escanaba team, on their home floor, quickly took a big lead and kept it to defeat the Blue and White by a twenty point margin.

Ishpeming 54 — Gladstone 52

It was Ishpeming's turn to come from behind as they survived Gladstone's lead to come out the winners in the final minute.

Ishpeming 62 — Stephenson 59

In a thriller right down to the wire, the squad played clutch ball in the final minutes to take a close one by three points.

Ishpeming 53 — Marquette 46

In a real spirited revenge from the defeat before, the team moved well against Marquette's press to win. The victory broke a two year string of Marquette victories over Ishpeming.

Ishpeming 44 — Soo 49

The Hematites kept pace with the Blue Devils for three quarters until the Soo slowly pulled away in a game that was closer than the score indicates.

Ishpeming 44 — Negaunee 49

The improved Negaunee Miners took revenge on our team to win a hard-fought game. Like the first one it was the usual close one between the twin cities.

Ishpeming 57 — Ironwood 72

It just wasn't Ishpeming's night to play basketball as they went down to defeat against the Red Devils. Missing their first twenty-seven shots, the team struggled back with twenty-eight points in the last quarter but it wasn't enough.

Ishpeming 47 — Iron River 38

Both teams played on even terms until the last quarter when Ishpeming came on strong to become the victors. It gave the team an even record for the season.

DISTRICT TOURNAMENT AT NEGAUNEE

Ishpeming 61 — Hancock 55

With both teams starting at a slow pace in the first quarter and fast during the second half, Ishpeming shook off a last minute attack to win the first round of district play.

Ishpeming 48 — Negaunee 45

The Hematites overcame the jinx that Negaunee was unbeatable on their home floor by winning in the last minute. It was the Blue and White's third straight district title.

REGIONAL TOURNAMENT AT NORTHERN MICHIGAN COLLEGE FIELDHOUSE

Ishpeming 56 — Escanaba 59

It was that tall Escanaba team that spelled final defeat for Ishpeming. Our team played their best ball and kept pace with them, bowing out in the last minute. The rebounding strength of Escanaba proved to be the big factor in their win.

Fifty-five upperclassmen responded to the initial invitation of Coach C. C. Watson for the 1959-60 basketball season. Five seniors — P. Misale, C. Hosking, L. Roberts, D. Larmour, A. Pesola; five juniors—P. Zhulkie, L. Larmour, R. Robar, W. Thexton, and F. Scalcucci carried through for the season. The record for the season was 10 victories and 9 defeats with Ishpeming scoring 928 points to 924 points for the opponents.

The team won the District Tournament at Negaunee for the third straight year, defeating Hancock 61-55 in the first game and turning back Negaunee for the championship 48-45. Ishpeming lost at the Regional tournament to a tall Escanaba team 59-56 in a game that wasn't decided until the last few seconds of the game.

Peter Misale, a four-year veteran was selected to the Upper Peninsula Class B team by the U. P. Sportswriter's Association.

TRACK — SPRING 1959

The 1959 track season began early in April with 55 boys reporting. The workouts during the first week were held in the gym due to poor weather.

TRIANGULAR MEET — ISHPEMING

May 1, 1959

The dual meet with Marquette was rained out so we engaged in a triangular meet with two smaller schools, Baraga Central and Gwinn High Schools. Due to the depth of our squad we were able to come out on top with a total of 99 points. J. LaPointe and W. Luoma were individual standouts in the meet with 13 points each.

ISHPEMING 70 — NEGAUNEE 38

May 5, 1959

This was the first dual meet of the year. Some of the boys showed improvement over the first week as we won 11 of the 13 events.

GREAT LAKES CONFERENCE MEET

May 9, 1959

Competing with seven other teams, the Hematites scored 32 1/3 points for a second place finish. Ishpeming won only one event, W. Luoma in the high jump, but scored heavily through considerable depth. Luoma also placed second in the broad jump with J. LaPointe placing fourth. P. Misale placed third in the high hurdles and D. Sarvello took fourth in the shot put. J. LaPointe finished fifth in both the 100-yard and 220-yard dashes. Sophomores R. Robar and J. Anderson also placed in the meet. Team scoring was as follows: Marquette 49 1/3, Ishpeming 32 1/3, Munising, 27 1/4, Soo 20, Stephenson 18 1/4, Manistique 17, Escanaba 16 5/6, and Newberry 14.

FRESHMAN-SOPHOMORE DUAL MEET

May 12, 1959

The young Hematites topped Negaunee in the annual Freshman-Sophomore meet, 68 1/6 to 40 5/6, taking nine firsts.

REGIONAL TRACK MEET

May 16, 1959

The Ishpeming track squad journeyed to Houghton for the regional track meet. The Hematite thin-clads won seven first places; J. LaPointe in the 100-yard dash (10.8), the 220-yard dash (23.6), and the broad jump (5 ft. 8 1/2 in.), R. Robar in the 440-yard dash (56.0), J. Anderson in the 880 (2:15), D. Sarvello in the shot put (44 ft. 6 3/4 in.), and W. Luoma in the high jump (5 ft. 8 1/2 in.). Luoma's and Sarvello's marks were new regional marks. Ishpeming placed second in the meet.

COUNTY TRACK MEET

May 20, 1959

We entered the meet with high hopes of defeating Marquette, but were defeated 76 23/60 to 47 2/5. Negaunee was able to score 12 5/6 points. W. Luoma was a double winner; in the pole vault (9 ft. 10 in.) and in the high jump (5 ft. 7 in.)

COUNTY FRESHMAN-SOPHOMORE MEET

May 22, 1959

Ishpeming was able to take first place in this meet with 64 1/2 points. Negaunee and Marquette were able to score 57 and 15 1/2 respectively.

UPPER PENINSULA TRACK FINALS

May 23, 1959

Among a field of seventeen Class B schools Ishpeming ranked seventh, once again losing to a strong Marquette team. Ishpeming went to Northern's track with eleven entries. W. Luoma was Ishpeming's only standout, winning the high jump at 5 ft. 9 1/4 in. J. Anderson place fourth in the 880 and R. Robar was third in the 440.

The half-mile relay team placed third and J. LaPointe was fifth in the broad jump.

COUNTY RELAYS

May 26, 1959

The Hematites pulled a mild upset by taking first place in the annual county relay meet

with 32 5/6 points to 28½ for Marquette and 13⅔ for Negaunee. Luoma was the standout again, placing first in the broad jump and tying for first in the pole vault. The medley relay team won with a time of 2:43 and the 880-yard relay team won with a time of 1:41. R. Solka was second in the broad jump.

UPPER PENINSULA MEMORIAL RELAYS

May 29, 1959

After adjusting team personnel due to the results of the county relays, we were hopeful of an upset. However, we won only one relay, the medley, in 2:41. Marquette was victorious as they took the remaining four relays. Our one-mile and two-mile relay teams placed third. The quarter-mile relay team placed fifth while the 880-yard team was disqualified. W. Luoma was the only individual point-getter, taking a third in both the pole vault and the broad jump. The team scores were as follows: Marquette 54, Ishpeming 28½, Negaunee 28, Escanaba 27, Newberry 26, and Iron River 2.

*****

This ended a relatively successful season for a team which was inclined to finish second. There was a total of fifteen letter winners. They were: John Anderson, David Bennetts, Gerald Corkin, Dennis Hickey, John Johnson, John LaPointe, Warren Luoma, Peter Misale, Darrell Reed, Raoul Robar, Dominic Sarvello, Richard Solka, Peter Zhulkie, William Kunnari, and Michael Pontti.

HISTORY – STATISTICS

Every ten years for over a century and a half, the United States Census Bureau has canvassed the country counting noses, delving into the lives of the American people, and obtaining a considerable amount of information, both interesting and startling. The facts presented tonight are not quite so extensive, for they only cover the Ishpeming High School, the senior class in particular. But we have tried to probe deeper into the lives of our comrades than the government did in order to entertain you tonight. There are 149 of us, 73 males and 76 females, and our statistics are derived from these representatives of your community. A pair of brothers and 2 pairs of sisters, including a set of identical twins, are members of this year's graduating class.

In 1947, when most of us entered school, the kindergarten enrollment was 147. This year's record enrollment of 199 shows a 35% increase since we started school 12 years ago. Slightly more than half of us have attended only the schools in the Ishpeming Public School System. One girl, while living on a reservation, attended school with Mohawk Indian children. Complying with the recent emphasis placed on scientific subjects, 52 seniors, more than 1/3 of the class, have met the requirements of the Science Course. Thirty-seven are graduating from the Social Science Course, 17 from the Industrial Arts, 12 from the Business Education, 7 from the Home Economics, and 24 from the General Course.

The first questions on our census concern our parentage. Ten years ago 26% of our parents were born in foreign countries, while this year only 5% are of foreign birth. However, some of our homes retain much of the Old World, as foreign tongues are still spoken in the homes. Four languages other than English are spoken in 42 (28%) of our homes. Finnish is spoken in 31 homes, followed by Italian, Swedish, and French in the remaining 11. Half of our parents have received high school diplomas, while another 8% have graduated from college. We have lost 1 mother and 10 fathers through death. Three homes have been broken by separation or divorce.

Most of us started our lives in this area, for

84% of us were born here in Marquette County. One senior boy is a Brooklynite by birth, while another was born in far-off South Africa.

Our class reflects the economic condition of the community. Eighty per cent of our families take great pride in owning their homes. Only the Class of 1951 equals this record. Our 45 working mothers (24 full time, 21 part time), the largest number in 9 years, have undoubtedly been a contributing factor in purchasing homes.

The mining companies which employ about half of our fathers are also responsible for some of our material possessions. Despite the fact that 7 families own no automobile, we average more than 1½ cars per family. We ourselves own 24 cars, along with 79 bicycles, 3 motorcycles, 2 motor scooters, and 2 jeeps. One boy, whose family owns 6 cars, has no trouble getting around. Five years ago, only 30 families owned television sets, while this year only 4 families lack them. During the same period of time the average number of radios per home has risen from 2½ to 3½.

This apparent increase in wealth has been paralleled by the rise in student incomes. Although the number of wage-earning seniors has decreased by 10% in the last decade, the average wage has risen 40c — from 56c per hour in 1950 to 96c in 1960. This is the highest amount of which we have a record. In spite of the increase in earnings, the amount of money spent on recreation each week has dropped to the lowest it has been in four years —$2.16. This amount includes the 12 who spend nothing and the 5 who spend $10 or more. Evidently the recent recession has taught us thrift, for 45% of the class have savings accounts, 42% own government savings bonds, and 34% have Christmas Clubs.

A possible reason for our low expenditures on recreation is that much of our entertainment is free. We spend approximately 3¾ hours a day watching television and listening to the radio. However, 7 seniors claim they never watch TV and 11 do not listen to the radio. Our 28 hi-fi phonographs and 10 stereos also keep us occupied. Still more of our free time is taken by the organizations outside of school to which more than half of us belong. Four-fifths of us belong to organizations and clubs within the school. Most of us perform daily chores at home, although 17 claim that they have no responsibilities. Some of us are smart enough to get our 180 brothers and 190 sisters to fulfill some of our household jobs for us!

The movies get some of our money that is spent for recreation. We average one movie per week, although 17 never attend. Four seniors, on the other hand, attend the movies 3 times a week regularly. A possible item in the budgets of 44% of the class is a hobby. These hobbies range from collecting china dolls to training and breaking horses. One fourth of the seniors play the piano, while an equal number have mastered some other musical instrument. The most popular pastime seems to be dating. Ninety-one per cent of the class date, and at least 100 of us have gone steady at some time. One boy listed "dating girls" as his most unusual experience. In spite of the fact that our parents complain that we do not spend any evenings at home, the facts show that we go out only 3½ nights a week, on an average. One senior does not go out at all while 13 go out every night.

Traveling again ranks high as a popular diversion. Sixty-five per cent have visited countries outside of the United States, with our neighbor Canada being the most popular. All but one of us have traveled out of the county, while 98% have gone beyond the borders of the Upper Peninsula and the same number, out of the state. Twenty-eight per cent have ridden in a plane, while 92% have journeyed in a train.

Most of us actively enjoy sports—swimming being the most popular. All but 3 seniors can swim, and 22 (15%) learned in the school pool. Camping, fishing, and hunting rank high as summer sports while skiing, skating, and tobogganing top the list in winter. Four have ridden Suicide Hill, while 26 have mastered the landing, including 2 girls. One girl has braved the landing on cardboard. Another has taken a canoe trip to Canada.

The next group of figures revealed by our census concerns our health. We should be physically well protected from disease, for most of us have had smallpox vaccinations, tuberculosis and diphtheria tests, and chest X-rays. Only 1 senior has had no Salk polio shots. Since 90% have had the measles and 65% the mumps, we hope we are immune to these. Sixty-one have undergone the removal of tonsils and 27, of appendices. As far as broken bones are concerned, it appears that we have had our share—15 arms, 9 fingers, 7 ankles, 7 collar bones, 7 legs, 3 wrists, 3 toes, a few ribs, a foot, a knee, and a thumb. One of the boys, a skier incidentally, holds the record for broken bones with 4 legs (not all at one time, of course), several ribs, and a collarbone. A senior girl has been so unfortunate as to break her collarbone at three separate occasions. A barrel of acid proved to be the downfall of one boy, for he fell in it and was swathed in bandages for 10 days. At least 6 of us have experienced near-drownings, while 4 have become lost while hunting.

When we tell you that more seniors than ever before (53%) wear glasses, do you wonder what the cause is—television, movies, or study? As compensation for defective eyesight, we have 10 perfect sets of teeth, the best record to date. Concurring with the popular trend, 11 (7%) have worn braces to straighten their teeth. Nearly 1/5 of the seniors have been blessed with naturally curly hair. Fourteen of us (nearly one in ten) are left-handed.

Now we inspect the section on the census sheet concerning employment. Most of us have worked at one time or other, for among us are 67 newspaper deliverers, 31 clerks, a

number of babysitters, and scores of odd-jobbers. Three-fifths have had the opportunity of speaking from the stage of the school auditorium. One sixth have participated in the high school forensic program. A third have appeared on radio or television. All but 2 graduates have taken advantage of the driver training course to obtain their licenses. We have not neglected our spiritual education, for more than ¾ of the class attend church regularly, although 6 do not attend at all. In addition 44% take an active part in religious organizations of the churches. As a group, we represent the congregations of 13 churches in the area.

You will be aware of our indecision when you realize that although 116 seniors plan to enter institutions of higher learning, only half of that number have chosen a definite career. However, if the 78% of the class that plans to enter college, trade school, business school, or nurses' training do graduate from these, this will show an increase of 500% over the post-high school graduations of our parents. Thirty-two boys and 1 girl plan to enlist in the armed forces, with the Navy and the Air Force being the most popular.

When another decade has passed and the official government counters again come our way, we will naturally be in altogether different situations. If the future can be predicted by looking into the past, it can safely be surmised that most of the class will be successful in their lives.

GIFTATORY – PROPHECY

SETTING: A small drive-in stand is pushed on stage from each side. During the introduction the waitresses take their places.

CAST: Janice Bjorne, Kathleen DeRoche, Carol Isotalo, Kay Luostari, LaVerne Lynn, Evelyn Ojanen, Joan Sundberg

INTRODUCTION

The Drive-in stands that are here displayed
Resemble none that have yet been made,
To stand along a thoroughfare
And serve the people passing there.
It seems far fetched we'll all concede,
To so obtain an important deed,
Or ticket to some romantic spot
And contract for a job long sought.
To come here for a certain tome
Or letter from a girl back home
Impresses you as being strange,
The product of a mind deranged.
Our imaginations may have strayed,
In dreaming up this form of trade;
But if the drive-in fad in the world expands,
We may all drive in for our jobs and lands.
Now if such a thing should come to pass,
What would be bought here for our class?
The waitresses that are entering now,
With friendly smile and gracious bow,
Will serve their friends with a treasured prize
From among the products that are advertised.

CONCLUSION

The selling's done; the stands must close.
There's nothing left, as each waitress knows;
But we hope that the goods we've passed out here
Will add to our classmates' future cheer.
Whether our products were in the groove,
Only the years ahead will prove.
